In sickness, if a certain hidden nerve goes wrong, then the organ that this nerve controls will also surely fail. It may be a stomach nerve, or it may have given strength to the heart and kidneys. It was Dr. Shoop that first pointed to this vital truth. Dr. Shoop's restorative was not made to dose the stomach nor to temporarily stimulate the heart or kidneys. That old-fashioned method is all wrong. Dr. Shoop's Restorative goes directly to those failing inside nerves. The remarkable success of this prescription demonstrates the wisdom of treating the actual cause of these failing organs. And it is indeed easy to prove. A simple five or ten-days' test will surely tell. Try at once, and see! Sold by Capital Drug Store.

After the Fourth some boys won't be able to play when the leader says "thumbs up."

Any lady reader of this paper will receive, on request, a clever "No-Drip" coffee strainer coupon privilege from Dr. Shoop, Racine, Wis. It is silver-plated, very pretty and positively prevents all dripping of tea or coffee. The doctor sends it with his new free book on "Health Coffee" simply to introduce this clever substitute for real coffee. Dr. Shoop's health Coffee is gaining its great popularity because of, first, its exquisite taste and flavor; second, its absolute healthfulness; third, its economy—1 1/2 lb 25c; fourth, its convenience. No tedious 20 to 30 minutes boiling. "Made in a minute" says Dr. Shoop. Try it at your grocer's, for a pleasant surprise. J. W. Harritt.
